

# Masters with Masters

The Academy of Program/Project & Engineering Leadership presents “Masters with Masters,” a series that brings together two master practitioners to reflect on their experiences, lessons learned, and thoughts about upcoming challenges.

The Academy has developed “Masters with Masters” as part of its ongoing efforts to create a cohesive community of project management and engineering practitioners across NASA. This series engages master practitioners in a conversation that yields fresh insights and promotes reflection and open sharing.

## **Special Guest Speakers:**

**General Charles Bolden**

**NASA Administrator**

**Johann-Dietrich Wörner**

**Chairman of the Executive Board, German Aerospace Center (DLR)**

Topic: International Collaboration

When: Wednesday, December 8, 2010

Time: 1:00 p.m. – 2:00 p.m., EST

Where: NASA Headquarters, James Webb Auditorium  
300 E St SW Washington, D.C.
